To our faithful prayer warriors!

After our amazing survey trip, we returned to the States with a heavy heart for the millions in Italy that need to hear the Gospel. We walked out of the airport in Virginia after 11 PM to go to a hotel. 8 hours later we walked back into the airport excited for our first missions conference. Our short flight to Florida had the worst turbulence out of all 7 flights we took during our trip.

Our first official missions conference was at Landmark Baptist Church in Haynes City FL. The church there was so wonderful to us! We felt very unprepared to be there that week but everyone was so gracious to us. Vivienne worked hard to put a video together that we could present and Luke had the opportunity to preach both in church and in the academy/college chapel. We both enjoyed getting to speak in the classrooms to the academy and high-school kids. That was a good experience for both of us to answer many questions about Italy that were fresh on our minds.

These past two months we both have been busy with our secular jobs. Luke especially is looking forward to being on full-time pre-field ministry. We praise God that He has helped us be able to book some meetings even though we have not had a lot of time to make phone calls. We are excited to have 15 meetings scheduled when we flip the calendar page to the new year!

During November we were able to decide on a final design for our prayer cards. We also came up with a few new ideas for our table display. During December, a pastor in Pennsylvania called and asked Luke to fill in preaching all day Sunday. That pastor gave us a lot of liberty to present, talk about Italy, and take questions from the congregation. For Christmas we were able to spend a wonderful couple of days with Vivienne's family. The Sunday after Christmas we presented at Chester Baptist Church and Luke preached the Sunday morning service.

We covet your prayers as we step into 2026 by faith. By the end of January, we will be full time pre-field by faith. We know God will provide the meetings and support that we need. "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:" Matthew 7:7
