To our faithful prayer warriors!

God is so good and providing for us! We are so thankful that God is answering our prayer to fill up our schedule. As I write this letter, we have 25 meetings in front of us. With many dates still available to schedule more meetings we are excited about 2026!

January was full of constant emails and making as many phone calls as time allowed. On January 20th, we stepped out in faith when Luke clocked out of his secular job for the very last time! Stepping into pre-field ministry with less than 9% of support coming in was a test of our faith but God has been providing! On January 28th, we began a missions conference we were highly anticipating. Although this was not our first meeting, it was the first one that we scheduled months ago! That church and the other missionaries there were such a blessing to us!

February was a much busier month for us as we visited 7 different churches and scheduled many more meetings. On February 20th, Vivienne worked her last day at the grocery store. This was a hard decision for Vivienne to make at first but God has seen our faith and provided for our needs. We trust Matthew 6:33, "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." As well as Philippians 4:19 "But my God shall supply all your need according to his riches in glory by Christ Jesus." As a result of our faith, 2 new churches have taken us on for monthly support! We praise God to announce that we are now at 11% of our desired support!

Thank you especially to all those who prayed for Wednesday, February 25th. Luke was nervous about facing the ordination council but by God's grace, he was ordained into the ministry! We are thankful that our families were able to celebrate the ordination with us.

Looking into March and April, please pray for us as we travel many miles. We have eight meetings just in March! By the time we send out our next letter, we will have been as far north-east as Rhode Island, and as far south-west as Alabama. Please pray that God will keep us healthy as we travel! It is such a blessing to see God work in our lives and we are so thankful that God's plan includes using us to raise awareness about the great need for more labourers in Italy! Every church we go to is surprised by how few churches there are in Italy. Please pray for Italy! The Cooks recently found out that their landlord wants to sell the building that Chiesa Battista la Verità is meeting in. Please pray for a new church building for Chiesa Battista la Verità. We know that God will provide in His timing the new building and finances needed to purchase it! Thank you for your Prayers!
