To our faithful prayer warriors!

July – August Prayer Letter

Thank you so much for all the prayers lifted up on our behalf. Many of you have asked about our car and living situation. As we continue to trust God, we continue to ask for your prayers. Praise God we have not had serious problems with our car since June, (except buying a new battery) however more small things keep coming up that are mostly annoyances. Our housing situation has been a struggle as well. When we sent out our last prayer letter we were less than a week from moving out of our home and stepping into the unknown. We have since been moving around to different prophets chambers, hotels, and familie's homes. Please pray as we do not know what God is going to do next but **we would love to have a place to call "home base" during our travels.**

While July had many trials, it had few meetings for us. However we are thankful for the opportunity to serve at a pastors fellowship in Virginia. This allowed us to meet new pastors and even book a meeting for 2027. One thousand miles later we were in Iowa for two meetings and a friend's wedding! We are so thankful that pre-field ministry has allowed us to make new friends while spending time with old ones.

In August we continued to search for an apartment but God kept shutting the door on each place we attempted to rent or move to. Huge thank you to each church that allowed us to stay in their prophets chamber as well as to our families that have sacrificed so much for us these past two months! God has been so good to provide a place for us to sleep each night.

During August, Luke's brother Josh and his wife (Katie) made a short trip back from Mexico City to Pennsylvania. All of us enjoyed being back together for the first time since Josh and Katie moved to their mission field almost two years ago. The four of us also recorded an episode of a podcast together! Luke and Josh started a podcast in July with the desire to be a help to other missionaries. Many have found this to be a blessing and an interesting insight into the life of a missionary. The "Magners2missionaries" podcast can be found on Youtube, Spotify, or Apple Podcast.

We cannot express our immense gratitude to all our prayer and financial partners! We cannot believe that God has given us 38% of our support in 7 months of full time travel! Thank you so much to our new supporting churches that took us on these past few months! Please continue to **pray that we will raise 100% of our support very quickly.** Every day we wish we could be in Italy!

Please **keep praying for the lost souls in Italy!** We are very thankful for the missionaries working hard to reach the lost every day! We are excited for the "Scuola della Bibbia, Vita Abbondante" (Abundant Life School of the Bible) which has over 55 students and pastors signed up for the fall semester. **Please pray that the Christians in Italy will be encouraged and challenged to grow in their faith as they deepen their relationship with Jesus Christ and increase their knowledge of God's Holy Word!**

Only by His Grace, Luke and Vivienne Magners
